Introduction: Spread across 75 acres of green sanctuary and fresh water lagoons, this exclusive 206 room property is a unique combination of colonial Portuguese architecture and Indian design. The resort offers luxurious, secluded guest rooms and suites, destination dining experiences from around the world, an award-winning spa, a golf course and a children's club along with thoughtful, discrete service to meet every traveller's needs.

Location: Just 50 minutes by flight from Mumbai and a 60-minute drive from the Goa airport through coconut groves, nestles The Leela Goa, one of the most celebrated luxury beach resorts in India. Situated on the pristine Mobor beach in South Goa, the property has an ecosystem of its own – river Sal on one side, Arabian Sea on the other, and over 300,000 trees and freshwater lagoons within – making it a green sanctuary.

The Leela Goa brings alive the *susegad* spirit, the relaxed and laid-back attitude towards life that Goa is known for and serves guests an unforgettable vacation experience.

THE LEELA

GOA

Overview: Recently renovated, The Leela Goa now offers a range of 206 new and refurbished rooms replete with modern amenities along with multiple dining options.

The hotel's fine dining concepts include a new pavilion restaurant called *The Restaurant* with four live kitchens serving global gourmet cuisines and a new *Jamavar*, The Leela's signature fine dining Indian restaurant. Guests can also enjoy local fresh seafood at *Susegado*, the beachfront grill restaurant, fine dining at the *Riverside*, the Italian restaurant on the banks of the river Sal, sparkling cocktails and snacks at the *Pool Bar* and refreshments and appetizers at the *Yali Lounge*.

When it comes to the in-resort leisure facilities, this expansive resort has something for every guest – an award-winning spa that offers ayurvedic and natural therapeutic treatments, a full-service beauty salon, a fitness centre with complimentary steam and sauna, a tennis club with floodlit court, a swimming pool and a lush green 12-hole executive golf course.

For guests seeking unparalleled luxury, The Leela Goa has its very own - *The Club*. Private and exclusive, The Club has twenty lavish suites, each with a personalized 24-hour butler, all-day dining at the Club Lounge and private access to a 25 metre swimming pool and the beach.

Climate: Goa is located on the west coast of India, also known as the Konkan region. The climate of Goa is warm and humid for most of the year as it falls in the tropical zone and near the Arabian Sea. Summer: May is the hottest, with temperatures touching 35°C (95°F). Monsoon: Goa is at its most beautiful during monsoons with greenery all around. Most of Goa's annual rainfall is received through the monsoons which starts from mid-June and lasts till late September. Winter: Goa has a mild winter season which lasts between December and February. These months are marked by cooler nights with temperatures ranging from 20°C (68°F) to about 29°C (84°F).

Transportation: The luxury beach resort offers the finest guest services to its discerning leisure travellers from around the world with a fleet of chauffeur-driven hotel limousines for airport transfers and sightseeing around Goa. The Concierge Desk at the hotel also provides local air-conditioned taxis or coaches on request.

Rejuvenation and Relaxation at The Leela Goa: The Spa at The Leela Goa aims to create an oasis of calm, where every sense is revitalized and where old and new arts of rejuvenation are practiced by experienced professionals.

The resort's spa, located just off the pristine beach, offers an extensive selection of holistic and Ayurvedic spa treatments and packages that will leave guests relaxed, revitalized and rejuvenated.

- *Ayurvedic therapies and services*

Ayurveda – considered as the oldest healing system in the world – is a natural way to refresh oneself, eliminate all toxic imbalances from the body and thus build up resistance to disease and regain good health. The Spa at the resort provides various treatments under the expert guidance of our Spa Manager.

After a personalized health consultation with our ayurvedic health specialist, choose from one of the many therapies on offer for the ultimate in stress-relief and relaxation and to bring the mind and body back into a harmonious balance.

Some of the recommended therapies include Abhyanga (one therapist) and synchronised Abhyanga (two simultaneously therapists) traditional full body massage, Sirodhara warm oil massage and Ayurvedic Back Massage, among other localized treatments for various parts of the body.

- *Holistic treatments*

Reflecting Goa's unique confluence of Eastern and Western traditions, The Spa also offers luxurious holistic massages and treatments from around the world.

Indian Magic, to rejuvenate aching muscles and tired minds through special oils, and the Hot Stone Massage, a deep body and scalp massage using hot stones and therapeutic oils on vital energy points are signature therapies of our Spa and are highly recommended for an all-round revitalization. Other holistic massages include Aromatherapy, Jet Lag Reviver, Back Kama and Swedish Massage and many more.

- *Body Polishes and Scrubs*

THE LEELA

GOA

Guests looking for a glowing skin can go for one of our body polish and scrub treatments that exfoliate and hydrate the skin, leaving it soft and smooth. Select from a range of treatments such as Sea Mineral Scrub, Detoxifying Scrub, Ancient Indian Scrub, Cane Sugar and Tamarind Sparkling Body Polish, Marigold and Basil Sand Scrub, among others.

- *Yoga, Meditation and Reiki*

Guests can enjoy the benefits of yoga, meditation and reiki in the fresh environment of this beautiful resort.

Note: The Spa also offers bespoke Wellness Retreat treatments and packages for three days or five days or as per the individual's requirement or as per the recommendation of the in-house ayurvedic health specialist.

Green Initiatives: A pioneer in green practices, The Leela Group has always stressed on the importance of environment conservation and sustainable development. With a special focus on maintaining greenery, the resort has its very own plant nursery to propagate the growth of plants in and around the resort. This has resulted in the resort having a thick green cover of over 300,000 tropical trees, exotic palms, shrubs and climbers; besides ground covers and lush lawns. The lagoons, around which the resort is designed, are thoroughly maintained by cleaning regularly and adding a wide variety of fish to control algae build-up and eliminate mosquito breeding.
